

THE WOMAN WITH THE BLOOD FLOW (MARK 5:24-34)

ART&RELIGION

The series *Art&Religion* is founded in 2011 by the Iconology Research Group (www.iconologyresearchgroup.org). Editor in chief is Barbara Baert (Leuven). The series welcomes monographs and themes in the interdisciplinary field between Christian iconography and religion of the Middle Ages and Early Modernity. *Art&Religion* focuses on how iconology as a field and method relates to recent developments in the Humanities. Beyond methodological reflection, *Art&Religion* singles out the production and technologies of pictures (i), the significance and agency of images (ii), and the transfer and migration of motifs (iii) in Christian visual and material culture.

The editor's board consists of Claudia Benthien (Hamburg), Ralph Dekoninck (Louvain-la-Neuve), James Elkins (Chicago), Jeffrey Hamburger (Cambridge, MA), Bianca Kuehnel (Jerusalem), Ann-Sophie Lehmann (Utrecht), John Lowden (London), Anneke Smelik (Nijmegen), Victor Stoichita (Fribourg), Jeroen Stumpel (Utrecht), Paul Vandenbroeck (Leuven), Jan Van der Stock (Leuven), Gerhard Wolf (Florence).
